

ACM Environmental PLC
is delighted to present

Simply Removals UK Limited

For achieving 'Zero % to Landfill' during the
2017 year

This award is in recognition of exceptional environmental performance in your waste and recycling operation.

By working in partnership with ACM Environmental you have achieved zero % to landfill for at least 12 months and have demonstrated clear further commitment towards retaining the status of 'Zero Landfill'.

Dear Mr Shaw

GREENER PATH AWARD

I am delighted to inform you that Simply Removals UK Limited has been selected as a winner of our Greener Path Award for 'Zero % to Landfill'.

By working in partnership with ACM Environmental you have fully optimized the diversion of waste from landfill in 2017 and have demonstrated clear further commitment towards the goal of 'Zero % to Landfill'. We are delighted to enclose a copy of your certificate.

We also have a Greener Path Award 'Badge' that can be displayed on your website so your own customers and prospects can clearly see what you have achieved. If you could let me have the contact details of the person responsible for your website I will send over the badge.

We would be delighted to generate some positive press coverage of your success and would be happy to work with your own PR/Marketing team. If that is of interest to you / them, please ask them to email ACM's Marketing Manager, Jo Hage (j.hage@acmplc.com).

Congratulations from all of us here at ACM Environmental for this great achievement!

Kind regards.

Andy Jacobs
Chief Executive
